

## Setting Up Application Environment Create an Account in Send grid

Date	24 OCT 2022
Team ID	PNT2022TMID50156
Project Name	Nutrition Assistant Application

### Step 1:

Go to the official Send grid website: <https://sendgrid.com/>, then click start for free.

### Step 2:

Click the Start for Free, you need to give all the details required for

creating a Send grid account and finally click the create button. The below screenshot will show the registration Process.

The screenshot shows the 'Tell Us About Yourself' registration page on SendGrid. The page includes the following fields and options:

- First Name (text input)
- Last Name (text input)
- Company Name (text input)
- Company Website (text input)
- Country Code (dropdown menu, currently set to USA (+1))
- Phone Number (text input)
- What is your role? (radio buttons):
  - Developer
  - CEO
  - Marketer
  - Other
- How many emails do you send per month? (radio buttons):
  - 0 to 100,000
  - 100,000 to 700,000
  - 700,000 to 1,500,000
  - 1,500,000 to 10,000,000
  - 10,000,000 to 50,000,000
  - 50,000,000 to 100,000,000

A 'Privacy - Terms' link is visible in the bottom right corner.

### Step 3:

Then it will redirect you to the home page of your send grid account.

The screenshot shows the SendGrid dashboard home page. The left sidebar contains a navigation menu with the following items: Dashboard, Email API, Marketing, Design Library, Stats, Activity, Suppressions, and Settings. The main content area features a welcome message 'Welcome, RAGHUL!' and a guide to get up and running quickly. A prominent blue banner reads 'Send your first emails with Twilio SendGrid'. Below this, the 'Create a sender identity' section explains that a sender identity is needed before sending email and provides two ways to create one: 'Create a Single Sender' (highlighted with a blue button) and 'Authenticate a domain instead'. A diagram illustrates the sender identity as the 'from' email address, showing an example: 'Your Business <jane.doe@your\_business.com>'.

**Step 4:**

Finally, you have created your account and now you can access the send grid account.
